

Three day workshop on “Electrical CAD” 6 Dec 2012 to 8 Dec 2012

Summary Report

Report compiled by **Dr. Abraham George HOD (EEE)**

The three day faculty development workshop on Electrical CAD organized by R & D centre and EEE department was successfully completed with over 60 participants participating in the workshop. Participants were from different engineering institutions who are benefitted from the proceedings of workshop.

The session was inaugurated by **Prof. Lawrence Jenkins**, Sr. Professor from IISC Bangalore. He has highlighted the importance of electrical CAD in modern day applications and the need of studying it in VTU curriculum. He also advised to conduct such curriculum oriented workshops for the benefit of faculties & the research scholars in the near future.

The Honorable secretary of MSEC, **Sri Sudarshan M.** mentioned about the importance of electrical CAD and also congratulated the organizers in choosing this topic of interest in organizing the workshop. **Dr. Sreerama Reddy G.M.** Principal-MSEC emphasized the relevance of the workshop topic in the present industrial scenario and also encouraged the EEE staff to organize many such programs for the benefit of students and faculty members.

Most of the sessions were conducted by the experts from Yelhanka CAD centre and eminent faculties from NITTE Meenakshi Institute of Technology Bangalore and Ghousia Institute of Technology Ramnagar, by giving attention to the individual participants both in theory and practical sessions in order to understand the basic concepts of electrical CAD. Full fledged lab facilities were arranged for all the participants to gain hands on experience on electrical CAD (keeping in view the VTU syllabus requirements).

All the participants expressed their satisfaction and happiness for all the sessions spared over 3 days. The total involvement of the participants with good interactive sessions made the workshop a grand success. All the participants were provided with a registration kit consisting of File, hardcopy of notes, certificate, writing pad and pen. The workshop was successfully organized and the participants appreciated the management and the organizers in conducting this workshop.
