

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### BEST PRACTICE 1

#### I Title of the Practice “Mentoring System”

1. Goal: The objectives of this practice followed by the Institution are:

- Improvement of teacher student relationship
- Guiding students to choose right career path for job, higher studies, Entrepreneurship, etc.

2. **The Context:** The following are the issues which motivated the college to implement the mentoring system. The scheme aims at addressing conflicts in attitudes, habits, and knowledge of the students towards learning practices.

3. **Practice:** Mentoring sessions are held in the slots allotted in the Time Table. A close monitoring of their academic performance shall be done and recorded. The reports are sent to the parents periodically.

#### II Title of the Practice “To encourage research activities to students and faculty members”

1. Goal: The aim of this practice is to provide necessary infrastructure, human resources and motivation to nurture research competencies among the faculty members and students.

2. The Context The college offers UG and PG degree Programs in various engineering disciplines. It is the responsibility of faculty members to inculcate effective learning methodologies in students to understand the various concepts of engineering.

#### 3. The Practice

The college encourages the faculty members to publish the research papers, to attend national and international conferences and to carry out consultancy work.
